

OFFICE OF THE DEPUTY DIRECTOR

9-23-76

Dear Folks:

Thought you might  
enjoy the attached  
pix. The one from the  
Vice President is a  
particular thrill.

The color shots  
were taken during the  
July swearing-in. I've  
made a few notations  
on the back of each of them.

Much love,

STATINTL
